The Game

The winner of the Golden Call bingo game wins the opportunity to pick a card to reveal a bonus prize.

The winner selects a number from the remaining cards on the promotional game board.

Reveal the Golden Bingo Ball to win the bonus jackpot prize on offer!

If you don't reveal the Golden Bingo Ball the cards will flip to show you where it was hidden.

The remaining cards are then shuffled ready for the next game.

You still won the bingo prize, yay!
